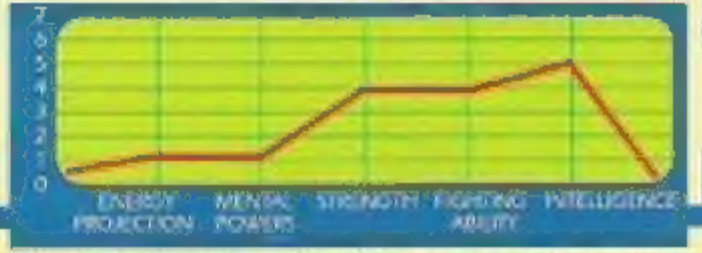
SUBJECT: BEAST

Real Name: Henry "Hank" McCoy
Height: 5'11" **Weight:** 350 lbs.
Group Affiliation: X-Men (Blue Strike Force)
First Appearance: UNCANNY X-MEN #1, September 1963



Within the brutish, animal-like exterior of the mutant known as the Beast dwells a brilliant scientific mind; for while the Beast is superhumanly strong and astoundingly agile, he is also one of the world's foremost experts in biochemistry. When not battling evil alongside the X-Men, he devotes his time to expanding the frontiers of man's knowledge. He also possesses the largest vocabulary of any super hero, which he rarely hesitates to use!

-TRA FACT: The Beast's current hairy appearance is the result of a scientific experiment he performed on himself!

SUBJECT:
STARJAMMERS

Roster: Corsair (leader)
Hepzibah Rasc Sikorsky
Binary Chrod

First Appearance: UNCANNY X-MEN #107 October 1977

The Starjammers are a band of freewheeling pirates operating primarily in the vast Shi'ar Empire. Having suffered individually at the hands of the Shi'ar government, the Starjammers strike back by looting the empire's spacecrafts, taking care not to harm innocent passengers. Although considered outlaws, the Starjammers are actually heroes having saved the galaxy time and time again, most often at the side of the Uncanny X-Men!

SUBJECT: ROMA

Real Name: Roma
Height: Variable
Weight: Variable
First American Appearance:
UNCANNY X-MEN #225,
January 1988

The daughter of the legendary wizard Merlin, Roma reigns as the guardian of the Multiverse and resides on the dimensional nexus point known as the Otherworld. Roma chose Brian Braddock to become the hero known as Captain Britain. But like a chess piece, Captain Britain was only a pawn. With her sorcerous powers she manipulated Brian, his companion Meggan, and former X-Men Shadowcat, Phoenix and Nightcrawler into forming the British super hero group Excalibur.

DANGER ROOM

SUBJECT

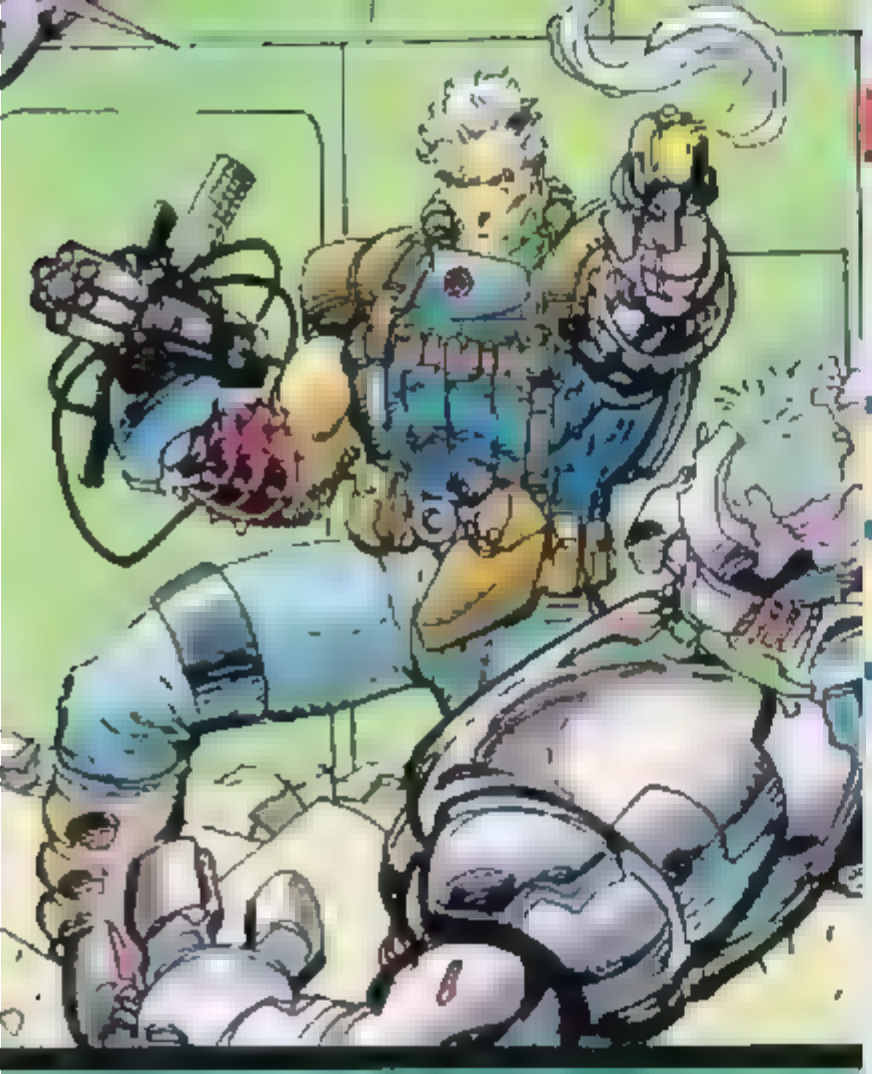
CYCLOPS

DANGER ROOM TEST SEQUENCE #7

The eyes of Cyclops contain devastating power! He can unleash optic force blasts strong enough to shatter steel. These bolts of pure energy can only be contained by Cyke's ruby-quartz visor and can only be controlled with confidence and precision through repeated training sessions in the Danger Room!

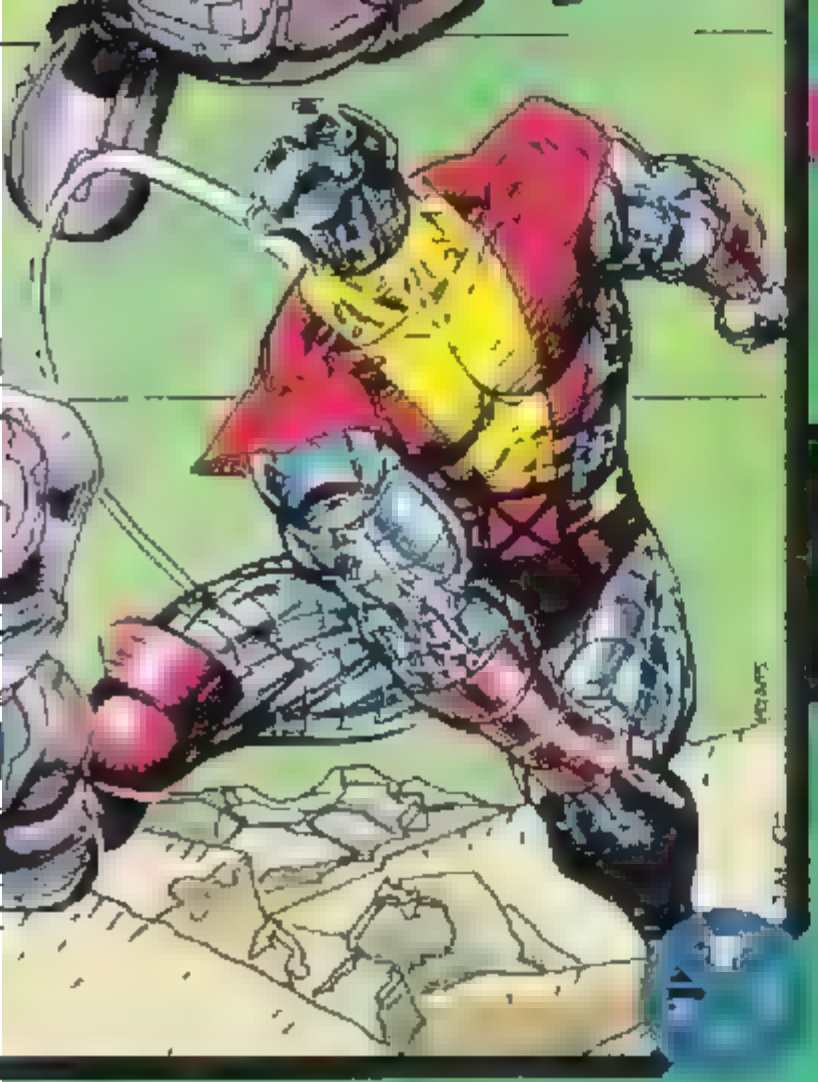


MARVEL

CABLE

DANGER ROOM TEST SEQUENCE #1

Cable is an unequaled master of weapons, and his personal arsenal includes exotic alien firearms far more advanced than any found on Earth. Cable practices regularly to maintain his outstanding marksmanship—in the heat of battle, one missed shot could seal his doom!



SUBJECT

COLOSSUS

DANGER ROOM TEST SEQUENCE #9

The molecules of Colossus's body can transform into a superdurable form of organic steel! In his armored form, the Russian X-Man can lift tons—and nursing a feeling X-Man into the breech is no problem at all!
